\*WHO WE ARE

\*WHAT WE DO

\*SIRIUS AND YOU

# What is SIRIUS?

\*SIRIUS is a European platform for collaboration among **policy makers, researchers and practitioners** to facilitate exchange of ideas and transfer of information and knowledge.

# Why SIRIUS?

\*The network was established to promote the development of **national and EU policies on MIGRANT EDUCATION** that are based on evidence and tested in practice.

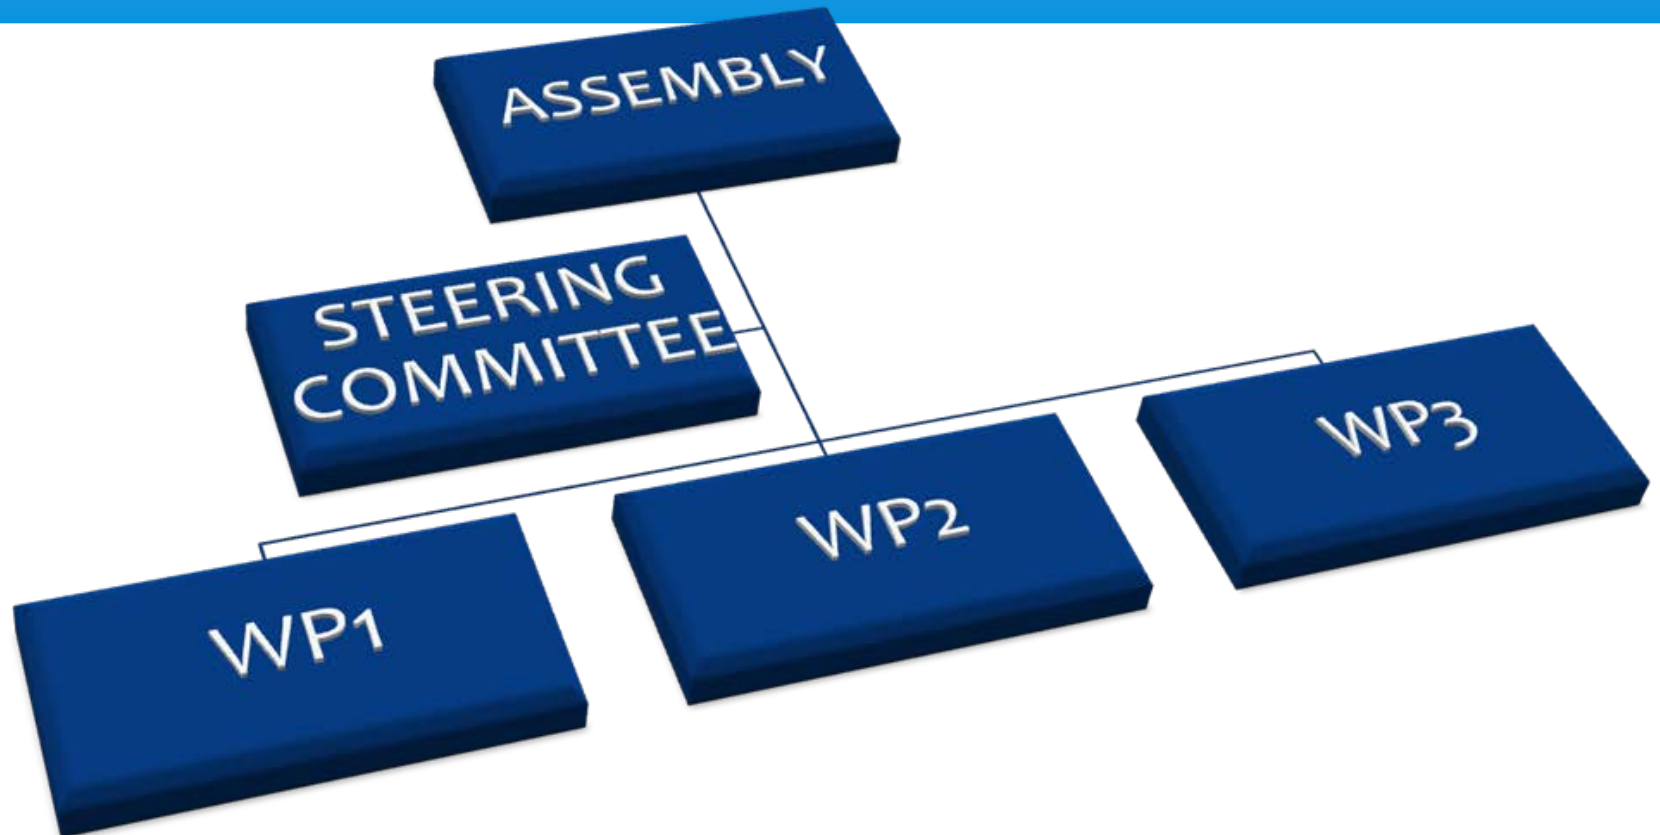

# Where is SIRIUS?

# A collaborative partners network

# A structure

# What is our frame?

\*We focus our attention according to **three specific thematic priorities** with regards to the EC priorities:

# What is our frame?

Focus on  
**implementing**  
policies  
instead of  
making

# What is our frame?

\*Focus on  
access,  
learning and  
transitions at  
**school**

# What is our frame?

\*Focus on  
**community**  
support for  
education

**\*We DO  
know what  
works for  
migrants!**

- \*General quality of school system**
- \*Diversity in schools**
- \*Targeted measures for migrant pupils**
- \*Governance and mainstreaming**

But...

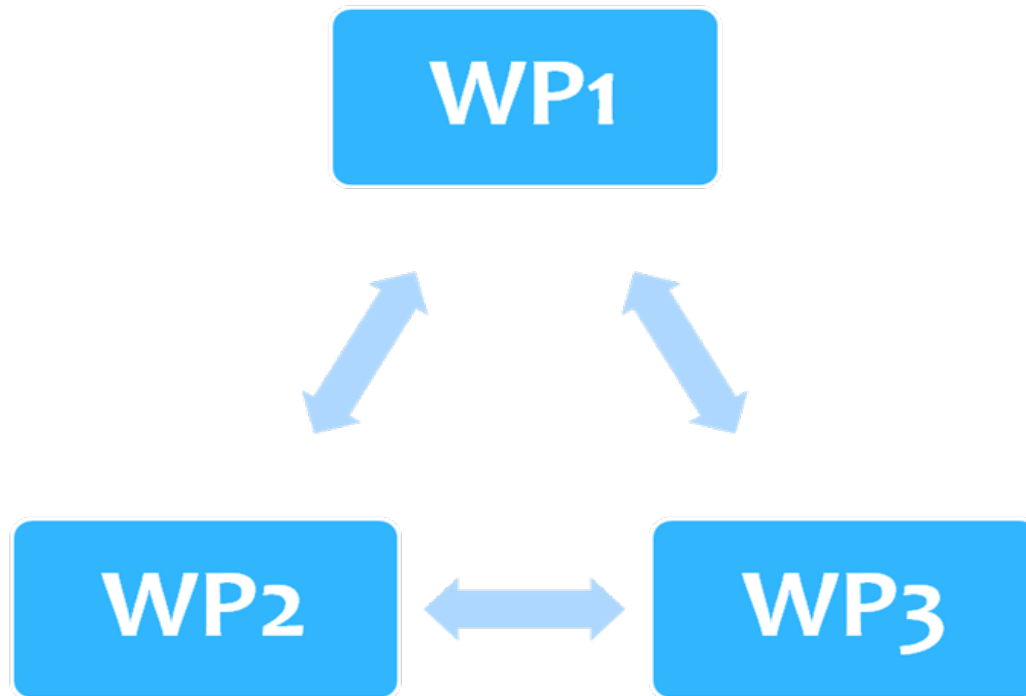

... why **DOESN'T**  
it work?

**\*Implement  
policies to  
move  
forward**

- \*From a school to a community approach**
- \*From a sector to a systemic approach**
- \*From an integration to an inclusion approach**
